

Novalnet Wins the E-Commerce Germany Award 2021

Novalnet has won the E-Commerce Germany Award for “**Best Solution for International Expansion**”. Novalnet was recognized for its contribution to customers helping them scale their B2C and B2B businesses worldwide. The virtual award ceremony took place on May 26, 2021.

The 24-person jury with representatives from well-known international companies like Zalando, Google, BASF, Bosch, Xing, Facebook, Delivery Hero, Mercedes Benz, Universal Music, Scout24 and Beiersdorf voted Novalnet first in this category. And even in the previous internet voting, the full-fledged payment provider was well ahead of the international competition.
